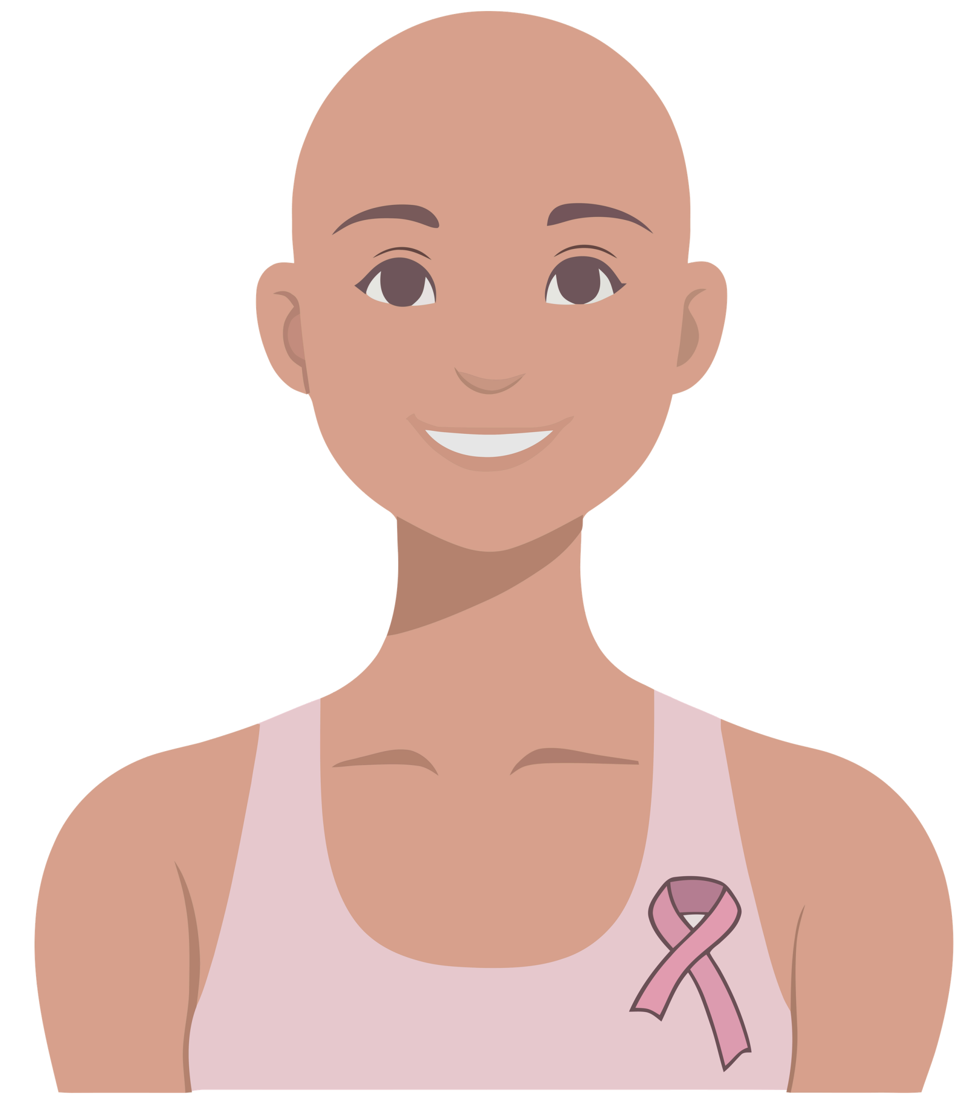
GAIL'S LAW

2025 WISCONSIN ACT 103



Does Gail's Law Apply to Me?

YES, IF YOU HAVE:

- Wisconsin Medicaid *(July 1, 2026)*
- A fully insured health plan regulated by the State of Wisconsin *(January 1, 2027)*

MAYBE:

Employer-sponsored self-funded health plan

Many self-funded plans are governed by federal law and are not required to comply with Gail's Law. However, some may provide coverage through federal preventive care requirements or employer benefits.

DIFFERENT RULES MAY APPLY:

- Employer-sponsored self-funded health plan
- Medicare
- Medicare Supplement Plans
- Medicare Advantage Plans
- Veterans Health Administration (VA)
- Long-Term Care Insurance
- Certain limited-benefit insurance policies

CALL YOUR HEALTH INSURANCE COMPANY AND ASK:

- *Is my insurance plan state or federally-regulated?*
- *Does my insurance plan cover supplemental screening for a complete breast cancer screening if I have dense breasts and/or I'm at high risk of developing breast cancer?*
- *How much will I be expected to pay out of pocket for supplemental screening?*
